

## Pre-Requisites (IBM CLOUD SERVICES)

<b>TITLE</b>	Smart Farmer-IOT Enabled Smart Farming Application
<b>TEAM ID</b>	PNT2022TMID24443

## DASHBOARD:

The screenshot displays the IBM Cloud dashboard. At the top, there's a navigation bar with the IBM Cloud logo, a search bar, and links for Catalog, Manage, and the user's account (vyshnavi chunduru's Ac...). Below the navigation bar, the main content area is titled 'Untitled' and includes links to 'Edit dashboard', 'Upgrade account', and a 'Create resource' button. The dashboard is divided into several sections. The 'For you' section features a 'Build' section with a blue background and a 'Select an option' dropdown. Below this, there are six cards: 'Build a web app with Watson Speech to Text' (15 min), 'Build a Virtual Private Cloud (VPC)' (7 min), 'Get started with Watson Discovery' (2 hr), 'IBM Log Analysis with LogDNA' (5 min), and 'Get Started with Watson Studio' (2 hr). The bottom section contains four columns: 'News' (with links to WebSphere Application Server Support Restatement, IBM Adds Lifecycle Services to Enterprise Networking and Deepens Strategic Partnership with Cisco, and All About IBM Storage's Price and Supply), 'Recent support cases', 'Planned maintenance', and 'IBM Cloud status' (with a world map and a chat icon).
